

Father's Day Duos

Many children are obviously cut from the same cloth as their parents. This Father's Day, take a look at these famous fathers and their equally famous offspring:

John Adams and John Quincy Adams — The first father-son duo to both serve as U.S. presidents (second and sixth, respectively), the Adams men left a lasting impression on American society and politics.

Muhammad Ali and Laila Ali — "The Greatest" heavyweight boxing champion must have passed on his winning genes to his youngest daughter, who was undefeated during her own eight-year career in the ring.

Paul McCartney and Stella McCartney — Papa Paul has earned worldwide fame as a former Beatle and prolific songwriter; daughter Stella is a respected fashion designer.

Jerry Stiller and Ben Stiller — Funny runs in this family: Jerry Stiller, known for roles in the sitcoms "Seinfeld" and "The King of Queens," is the proud father of actor/comedian Ben Stiller, star of "Meet the Parents," "Zoolander" and the "Night at the Museum" films.

Quincy Jones and Rashida Jones — Grammy Award-winning artist Quincy Jones is best known for producing records for Frank Sinatra, Aretha Franklin and Michael Jackson, but modern audiences may be more familiar with his daughter, actress Rashida Jones. She has starred in the TV shows "The Office" and "Parks and Recreation."

June 2016

Dear Residents, Families and Friends:

There is much to celebrate this month. After a lovely Mother's Day Tea, we will celebrate fathers with a special meal created by our Dining Director, Paul Quevedo. During our Mother's Day Tea, residents and their guests were treated to entertainment — toes were tapping and hands were clapping. Special thanks to our Activity Directors Patty and Dawn for always making Lewisville Estates special!

We have many events planned this month and we look forward to your participation! June 7 we will have Elvis in the building, so make sure to plan ahead!

We are still seeking good neighbors to live at Lewisville Estates. If you have friends, neighbors, or family members who are interested in senior living, please have them contact Lauren or Cindy. Remember, you will receive a \$500 check if they move here (90 days after their move-in date). Check out our Facebook and website for weekly picture updates. Thanks for spreading the word.

Happy June,

Jessica Hazelton, EXECUTIVE DIRECTOR

Resident of the Month

Our L.E.A.P. (Life Enrichment Activity Program) would like to recognize Nada Howard. Nada has been at Lewisville Estates for six months. Perhaps a little shy, but we are seeing her out and about much more frequently! Nada is very proud of her family and loves celebrating holidays. She was a school secretary for many years. (My teacher friends always tell me, "Make friends with the school secretary, because they really run the show!")

Nada likes games — I've seen her play a powerful game of LCR! Oh, and she really likes Coca-Cola!

We are so happy to have you here at Lewisville Estates!
