

Women Lending Their Wings

With World War II raging overseas, the military's high demand for male combat pilots prompted the U.S. Army Air Forces to enlist the skills of a civilian group of aviators: women.

In September 1942, two programs — the Women's Auxiliary Ferrying Squadron, led by Nancy Harkness Love, and the Women's Flying Training Detachment, led by Jacqueline Cochran — were formed. On Aug. 5, 1943, they merged into the Women Airforce Service Pilots, or WASP.

Initially, the primary job of WASPs was to transport military aircraft from factories, but they also served as flight instructors and test pilots, and towed targets for live ammunition gunnery practice.

WASPs were the first women in history to fly U.S. military aircraft and piloted nearly every type of plane, from light trainers to B-26 and B-29 bombers. In total, the program graduated 1,074 women.

Because of its urgent need, WASP was implemented as a civil service program, with the intent of granting it military status at a later time. However, the need for pilots dwindled, and the program ended Dec. 20, 1944.

WASP received formal military recognition in 1977, shortly after the U.S. military began admitting women as pilots. In 2010, the surviving WASPs were awarded the Congressional Gold Medal.

Resident of the Month

Our L.E.A.P (Life Enrichment Program) would like to recognize Betty Daughtry. Betty has a beautiful smile, and her laughter is contagious. Every doctor, aide or therapist says the same thing. "We love that lady!"

Betty has a love of family and spent her earlier years being very involved in her church, always hosting activities in many ways. Lake time was also a favorite.

Although her hearing loss is a concern for her, take a minute to visit with her and join her for a cup of coffee. She likes sugar in hers. Betty, we are so happy to have you here at Lewisville Estates.

Social Hour Every Friday at 2 p.m.!

LEWISVILLE ESTATES SENIOR LIVING AT EASE
Like Us!

AUG 2016

Big Event Every Second Tuesday at 6 p.m.!

Dear Residents, Families and Friends,

Happy August! We have many new residents and family members among us; please introduce yourselves so they can feel the warmth and family spirit we have at Lewisville Estates. I am pleased to announce we had our big state inspection in our Assisted Living and we earned a perfect score. We are so blessed to have dedicated and caring staff to serve our residents.

With the summer coming to an end, it's almost time for children to return to school. We will be hosting our annual back-to-school drive for our employees' children. In appreciation, a box will be placed in the lobby for collection of school supplies (pencils, notebook paper, crayons, art paper, calculator, etc). Please join us as we say "thank you" to our faithful employees in a tangible way!

We have much to celebrate and be grateful for as we have a full month of exciting activities and outings scheduled; check your calendar for more details.

Regards,
Jessica Hazelton
