Happy New Year!

Our hourly staff asked I express their sincere thanks and appreciation for your generous contributions for their Christmas Bonus. We have an awesome staff, thank you for honoring them monetarily during the Christmas season.

2014 is going to be a busy year at Lewisville Estates Assisted Living ...we are so fortunate to have Nicole Atwood, LVN on board. Nicole is working closely with home health and hospice agencies coordinating services in order for each of you to receive the ultimate health care services.

Meg has a year filled with activities, entertainment, outings and educational seminars planned for Assisted Living. We are delighted to have both these ladies as part of our Team.

"We will open the book. Its pages are blank. We are going to put words on them ourselves. The book is called 'opportunity' and its first chapter is New Year's Day". – Edith Lovejoy Pierce

As we look to the New Year - I wish for you good health, much happiness and special times with family and friends.

Looking forward!

Nelda

January Warmth

The leaves are whirling in the wind
Clouds a stirring
What a warm January day.
The squirrels have come out to play
Running and scurrying all the way.
The sun is hiding somewhere
Somewhere way up high

The warmth of a January Day
Warms the heart in everyway
Trees in motion swaying and
Swooping with a notion.
